INFORMATION DISCLOSURE STATEMENT

Mail Stop DD
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In accordance with applicants' duty of disclosure under 37 C.F.R. §1.56, we are enclosing form PTO-1449 listing information that may be material to the patentability of this application.

We are also enclosing a copy of each of the following citations that are listed in form PTO-1449:

U.S. Publication No: US 2002/0195846 A1; Great Britan Patent No: GB 1 483 567; European Patent Nos: EP 1 077 155 A1 and EP 0627 340 A1; and German Patent Nos. DE 199 24 236 C1; and DE 299 1571 U1.

Also enclosed are Japanese Abstracts of Japan; Vol. 2000, No. 07, September 29, 2000 (2000-09-29), & JP 2000 118280 A (NHK Spring Co Ltd), April 25, 2000 (2000-04-25).

It is applicants' belief that none of the above citations describe that which is claimed in the present invention.

It should be understood that attention has been called to the citations that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed citations and to make the usual careful independent search for other prior art that may be pertinent.

Since this Information Disclosure Statement is being filed prior to the issuance of the first Office Action based on the merits, no petition or fee is required.

Since this paper contains only an IDS in compliance with 37 C.F.R. §§ 1.97 and 1.98 it should not be considered a failure to engage in reasonable efforts to conclude

prosecution (processing or examination) of the application under paragraphs 37 CFR 1.704(d). Specifically, each item in this IDS was received from a foreign patent office in a counterpart application on October 23, 2003 by our client, who are believed to be individuals designated under 37 C.F.R. § 1.56(c) and, thus, was not received more than thirty days prior to the filing of this IDS.

Applicants respectfully request favorable consideration and that this application be passed to allowance.

Respectfully submitted,

Charles N.J. Ruggiero
